## IMPORTANT INFORMATION ABOUT LATE SUBMISSIONS - SUBMISSION AFTER 4PM

Late submission of student work, up to five working days after the published (or extended after an approved extension request) submission deadline will incur a penalty:

- Late work may not be marked at the same time as other students', and may take longer than usual to come back to you.

- Feedback on late work may also be reduced.

- **No re-submission is permitted.** If you don't achieve a Pass (or higher) you have failed the unit and possibly the whole course.

If you submit an assignment over five working days after the submission date without an agreed extension or an accepted Mitigation Claim, it will not be marked and you will have failed the unit.

You have only one opportunity to achieve Merit and Distinction grades.

If your work met all of the Pass criteria contained in the assignment brief, you may not resubmit it to get higher grades.
