

P982 Higher Education Student Academic Appeals Policy

1. INTRODUCTION

- 1.1 The purpose of this procedure is to describe the process by which a student or applicant can enquire, question or appeal against an academic decision.

2. PURPOSE

- 2.1 The purpose of the policy is to ensure that Peterborough Regional College (PRC) adheres to the requirements and expectations outlined by best practice guidance from Supporting Professionalism in Admissions (SPA), the UK Quality Code for Higher Education (QAA), Office of the Independent Adjudicator (OIA) and Competition and Markets Authority (CMA) guidelines. It also recognises the demands of higher education and the importance of student experience and ongoing enhancement.
- 2.2 The purpose of this policy is to;
- Provide a clear understanding of how to make an appeal
 - Protect the interests of all learners and the integrity of the qualification
 - Ensure procedural parity between all appellants making an appeal
 - Enable the managing of appeals effectively by staff

3. SCOPE

- 3.1 This policy applies exclusively to all Higher Education provision offered by PRC for Pearson Edexcel HNC and HND applicants, students (HE) and to the College staff administering them. This applies to both UK/EU and International students.
- 3.2 Academic appeals are not complaints. Complaints should be managed through the Higher Education Complaints Procedure. It should be noted that students cannot 'twin track' i.e. undertake an academic appeal and also submit a formal complaint.
- 3.3 In considering any appeal the College will recognise the rules and regulations of appropriate external awarding bodies.

4. DEFINITIONS

- 3.4 For the purposes of this policy an academic appeal, as defined by the Office of the Independent Adjudicator (OIA), is a "request for a review of a decision of an academic body charged with making decisions on student progress, assessment and awards."
- 3.5 Circumstances to submit an appeal may include the following:
- an appeal against a mark awarded for a unit assessment
 - overall outcome of a programme of study
 - Failure at any stage of a programme of study
 - Withdrawal from study due to unsatisfactory progress or failure to meet academic or professional requirements i.e. unsatisfactory work and attendance.

- 4.1 Grounds for submitting an appeal may include the following:
1. Mitigating Circumstances Circumstances affected students' performance, for which supporting evidence can be provided **and**

These were not known to the Awards Board panel or others at the time the decision was made, **and**

The applicant was unable for practical reasons inform them before the decision.
 2. Procedural irregularities Irregularities in the conduct of assessment procedures or decisions resulted in a different outcome had it not occurred.
 3. Prejudice or bias There is evidence of prejudice or bias or lack of proper assessment on the part of one or more markers /assessors.

6. RESPONSIBILITIES

- 6.1 Appeals should be completed by the individual concerned themselves. Correspondence or phone calls from others will not be considered unless the College has received written/signed authorisation from the applicant that the third party intends to act on their behalf.
- 6.2 The student must have followed the Academic and Assessment regulations.
- 6.3 The student must have consulted with the unit tutor or Course Co-ordinator in the first instance to attempt to resolve the issue informally before submitting a written appeal.
- 6.4 The Curriculum Lead (HE) is responsible for ensuring that the internal assessment procedure is adhered to.
- 6.5 **Responsibilities and time frames for response and action**
- Stage 0 – HE Manger
 - Stage 1 - Principal (or nominee)- Forms an Appeal Committee to investigate the appeal (allowance of 15 working days to make a decision and appellant notified within six working days of the decision being made)
- 6.6 It should be noted that the Stage 1 of the Appeal must be heard within **90 calendar days** and a Completion of Procedures Letter must be issued after stage 1. This will be issued by the PRC Quality Team. Students can also request a Completion of Procedures Letter. Please see the appendix for guidelines on format and information to be enclosed.

- 6.7 Appeals submitted outside the timescales prescribed in the procedure will only be considered in the most exceptional circumstance and where there is good reason, supported by evidence, for the late submission.

7. RISK ANALYSIS

- 7.1 This policy is required to ensure that correct procedures are in place and documented by all involved in the handling of complaints, both formal and informal, for higher education students.

Analyse risks of non-adherence to this policy

Poor student satisfaction and impact on annual return from OIA. Poor external stakeholder perception and potential financial cost and compensation. Failure to demonstrate effective enhancement. Failure to achieve a positive outcome from a Higher Education Review and the likelihood of additional scrutiny.

Staff training needed

Initial and refresher training to be made available to staff.

Compliance reduces the risks described above.

8. EQUAL OPPORTUNITIES IMPACT ASSESSMENT

A Section One Impact Assessment has been conducted for this policy.

9. DATA PROTECTION

- 9.1 PRC and UCP complies with the provisions of the United Kingdom's Data Protection Act, 1998. As such, applicants' and student data is treated as confidential by all staff involved in this process and is not divulged unnecessarily or inappropriately. However, the aforementioned Act requires UCP and PRC to release certain information to UK authorities upon request in order to assist those authorities with the prevention and detection of fraud or other crimes. We will release the requested information on receipt of an appropriate request from UK authorities such as (but limited to) the police, Home Office (for immigration and related matters), local authorities, and the Department for Work and Pensions. We may use anonymised data collected as part of an individual's application and enrolment for the purpose of fulfilling statistical and reporting requirements.

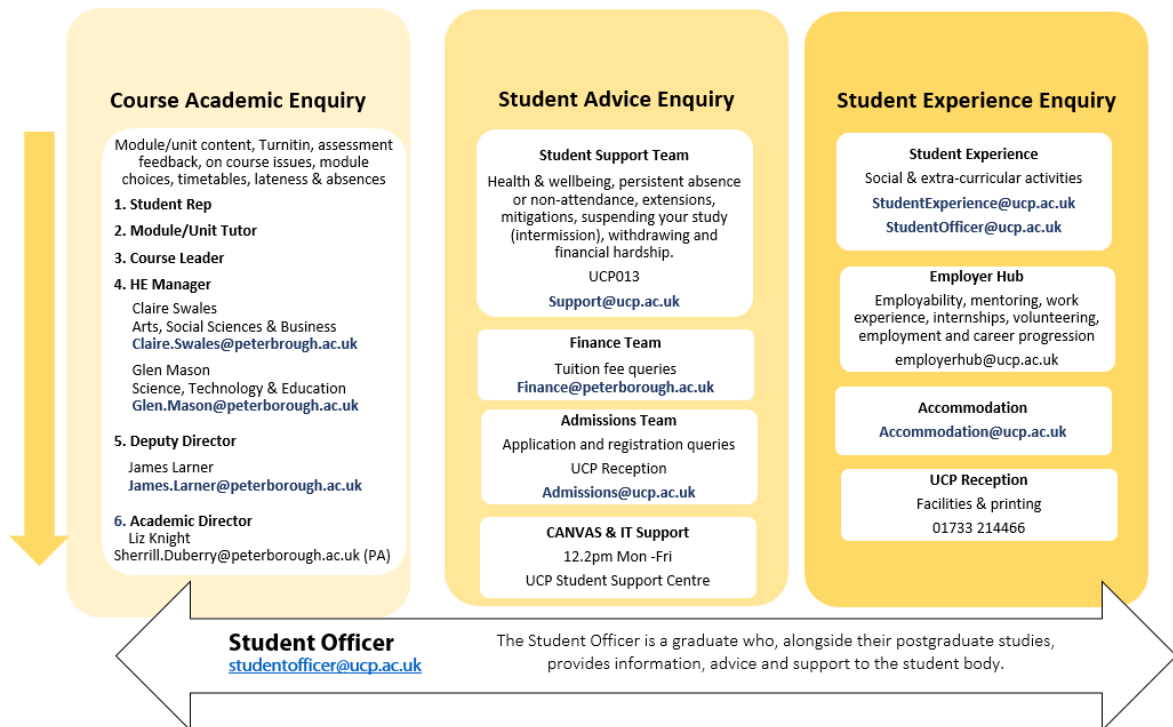

10. PROCEDURE

Stage 0 (Initial Informal Appeal)

- 10.1 Students are encouraged to follow the line of communication diagram shown below and be aware of who staff are. Initial concerns must be discussed with the Unit Tutor, Course Leader or Curriculum Lead (HE). These staff have an understanding of the student's circumstances and programme of study and are often best placed to resolve issues quickly.
- 10.2 A meeting should be arranged with the student's tutor/s where verbal feedback can be provided against the assessment criteria. This feedback should illustrate the standard a student has met against the grading criteria.
- 10.3 If course staff are unable to help, or in the event that a concern needs to be raised higher, the student will be referred to their HE Manager. (for HNC/ HND courses this is Glen Mason Glen.Mason@peterborough.ac.uk) Appointment hours are posted outside the HE Manager's room UCP108.

- 10.4 The HE Manager ensures that a HE Informal Appeal Record (see Appendix 1) is completed with the student and enquires into the Appeal. Appeals need to be submitted as a signed statement by the member of staff receiving the appeal, and the students raising the issue confirming that the information given is a true and accurate reflection of the applicants concerns. A copy of the form is provided to the Academic Officer for monitoring purposes.
- 10.5 The HE Manager will ensure that a response is sent to the Appeal **within 10 working days of receipt**. In some circumstances the enquiry may extend to giving all parties an opportunity to be heard and if it is substantiated in whole or part, take action to correct the situation. From time to time an appeal may require extensive investigation which cannot be completed within 10 days. In such cases, a letter/email is to be sent by the HE Manager to the applicant keeping them informed of progress.
- 10.6 If there are grounds for a remark the tutor should inform the Lead Internal Verifier who will arrange this to be carried out by another member of the assessment team.
- 10.7 If the matter is not resolved to their satisfaction then they should move to Stage 1 (below). Any member of staff dealing with a dispute from a student should recommend the student proceed to Stage 1 if a satisfactory resolution cannot be agreed or if the staff member in any way feels it would be unprofessional to continue informally.

Higher Education Lines of Communication

Stage 1- Formal Appeal against an internally assessed grade decision (AP1 form submitted by the student)

- 10.8 An AP1 Appeal Form should be completed by the student. This must be done within **7 days** of a student receiving assessment results. Students may be offered support in order to make their appeal. This support can be provided by the Student Officer, member of the Student Support Team, or a member of staff.
- 10.9 Students should submit documentary evidence in support of their Academic Appeal. This should normally be submitted with their Academic Appeal submission. However, where this is not possible due to circumstances outside of the student's control, (i.e. waiting for

evidence from an external agency/organisation), the Academic Appeal should be submitted together with a clear statement that evidence has been requested by the student.

- 10.10 The student will receive an acknowledgement of the appeal (see Appendix 4) within **5 working days** and an investigation will be conducted. The acknowledgement (see Appendix 5) will explain the steps to be taken, how long the process is expected to take and any further information required.
- 10.11 On receipt of an Appeal by the Principal (or a nominee) will consider whether the appeal is made on one or more of the grounds specified in section 4. If the appeal is considered 'not eligible' the student will receive this outcome with reasons given. The Principal (or nominee) will contact Pearson BTEC of the outcome. All relevant documentation and data will be sent to Pearson BTEC. The student will be informed that further correspondence regarding the appeal should be directed to Pearson BTEC:
<http://qualifications.pearson.com/en/support/support-topics/results-certification/post-results-services.html#tab-Appeals>
- 10.12 If the appeal is considered by the Principal (or a nominee) to be made on the grounds outlined in section 4 an Academic Appeals Committee will be formed which consists of:
- An appropriate independent person nominated by the Principal to chair the Committee meetings and this person should have a clear understanding of equality and diversity legislation and policies.
 - The Sector Manager of the team to which the course belongs.
 - The course tutor of the appellant, at the time of the appeal.
 - Where considered appropriate by the Appeals Committee the appellant will be invited to attend a meeting with the Appeals Committee. The appellant should be invited to the Committee meeting where they can contribute additional information in support of their appeal. If invited to attend the Committee meeting the appellant may be accompanied by a friend /representative. If invited to attend the appellant must be notified in writing of the time and place of the meeting. The Appeals Committee will proceed with the meeting whether or not the appellant is in attendance.
- 10.13 The Academic Appeals Committee must be held with within **fifteen working days** of acknowledgement of the completed AP1 form.
- 10.14 The decision of the Academic Appeal Committee is final and will be notified to the appellant in writing within **six working days** of being made.
- 10.15 The appeal will be judged upheld or not upheld based on the findings. On completion of action, the Principal (or a nominee) sends a Completion of Procedures Letter (see Appendix 5) to the student and a copy to the Director of Quality (for recording and monitoring purposes). The student will have the right to appeal the decision.

Stage 2- Appeal of Decision

- 10.16 Failure of the appellant to have their appeal upheld by the Appeal Committee does not remove their right to take the case to the Awarding Body with which they are registered, for final adjudication.
- 10.17 The Quality Director (or nominee) will contact Pearson BTEC of the outcome. All relevant documentation and data will be sent to Pearson BTEC. The student will be informed that further correspondence regarding the appeal should be directed to Pearson BTEC.
<http://qualifications.pearson.com/en/support/support-topics/results-certification/post->

[results-services.html](#)

- 10.18 Where all stages of complaint have been completed and the appellant still remains dissatisfied with the outcome, then they have the right to seek an Independent Review by referring the matter to the Office of Independent Adjudication (OIA) provided that the complaint is eligible under its rules. Eligibility of whether the complaint meets the rules of the OIA can be checked by visiting <http://www.oiahe.org.uk> Office of the Independent Adjudicator for Higher Education, Second Floor, Abbey Gate, 57-75 Kings Road, Reading, RG1 3AB
- 10.19 The student has 12 months from receipt of the Completion of Procedures letter to raise a complaint with the OIA. It is a requirement that this information is included within the Completion of Procedures letter (see Appendix 6).
- 10.20 Where a complainant remains dissatisfied in respect of higher education provision, then an appeal should be made to the relevant university or awarding body. Links to the relevant complaints policies are given below:
- HND/HNC via Pearson: <http://qualifications.pearson.com/en/support/contact-us/feedback-and-complaints.html>

Recording, Monitoring and Analysis of Complaints

- 10.21 The Quality department will oversee the tracking and monitoring of appeals processed through the procedure.
- 10.22 In order to continually review and enhance the student experience, appeals received are reviewed and monitored. To achieve this, details of all formal appeals are sent to the Director of Quality who collate the information and prepare reports presented regularly at the Curriculum and Quality Committee held four times an academic year. In addition these details are also summarised and presented at the Higher Education Academic Board which meets on a semester basis to ensure any common themes can be addressed or changes to policy can be implemented.
- 10.23 Informal appeals are recorded by HE Managers on the Informal Complaints and Appeals log found on the PRC J drive. Anonymised and summarised details are presented at the Higher Education Academic Board which meets on a semester basis to ensure any common themes can be addressed or changes to policy can be implemented.
- 10.24 The Quality Department will hold a record of all formal appeals for 3 years for audit purposes.
