Why do we need you?

Right now, someone in your family, or your friends or colleagues is affected by deafness, hearing loss or tinnitus. Perhaps you're affected yourself. By getting involved with us, you can make a difference to the lives of the 11 million people in the U.K. who have hearing loss.

What skills do you need?

Here's what we think could be beneficial:

- A keen and experienced photographer with relevant equipment eg HD camera, lighting etc

- A genuine interest in working for charities
- Good interpersonal skills
- Friendly, reliable and approachable manner
- Happy to work with a wide range of people

What support will you get?

We value your time and commitment and want to make sure you are enjoying volunteering with us.

In a recent survey 90% of our volunteers would recommend Action on Hearing Loss as a good place to volunteer

Regular support will be given by your own Volunteer Manager especially in the early stages of your role as you settle in. You will also receive informal support from other Action on Hearing Loss volunteers and staff as you work together.

Here's what our volunteers say!

"I enjoy meeting people and helping them with their queries. Hearing loss can cause frustration and isolation, leading to loss of confidence. If I'm able to improve someone's quality of life by sharing information or raising awareness of how others can help, then that's very satisfying." RB
