

Volunteers needed

This is a new and really fun event aimed particularly at ages 4 upwards and their families, but absolutely everyone is welcome!

It's a mix between a colour run, tough mudder and obstacle course.

The course is 2.5km or 5km and will have a number of different obstacles. We have volunteer positions to help register participants, help with merchandise, marshalling [the](#) route & managing the obstacles.

To give you an idea of what our participants will be doing on the course....

- *A-frame climbing wall*
- *Cargo nets*
- *Seesaw runs*
- *Colour run stations*
- *Barbed wire crawl (shhhh...it's not real barbed wire)*
- *...and a whole heap more!*

I hope you'll agree it sounds like lots of fun!

So, what would volunteers need to do? - (all times TBC but likely to be as listed below)

- *Volunteers will need to be onsite from 10am - 1pm*
- *There will be a volunteer briefing at 10.15am where volunteers will be assigned a role.*
- *Volunteers will be set in position from 10.30am*
- *Participants will set off from 11am (this is likely to be in waves)*
- *The event ends at 1pm and volunteers will be free to leave once making JDRF staff aware.*
- *Should any volunteers be working towards goals / badges / certificates / awards etc we would be more than happy to provide a letter to confirm their help on the day after the event.*
- *We'd ask that anyone volunteering who has any specific needs (needing to sit / level ground access) to make us aware at the point of confirming so we can assign an appropriate task.*
